Cambria County

Clearfield County Natural Heritage Inventory Mapping

Additional map notes:

- Landscape Conservation Area (LCA) and Biological Diversity Area (BDA) expanses were chosen using criteria described in the Clearfield County Natural Heritage Inventory published for the Clearfield County Planning office by the Western Pennsylvania Conservancy
- Important Bird Areas (IBA) for Clearfield County were created by the Clearfield County GIS Department in order to approximate Western PA Conservancy mapping of those areas in the Natural Heritage Inventory prepared for Clearfield County Planning

Data and services provided by the Western PA Conservancy, Clearfield County Planning, and Clearfield County GIS Department
